

King's Kids Camp Clothing & Equipment List

Camp is rough on clothes and gear. Items that are older and less expensive are recommended. We ask that campers wear closed toed shoes at all times. This avoids cuts and slivers in the feet and to make walking, hiking and running more safe and enjoyable. Please help us by leaving sandals and flimsy shoes at home. Flip-flops are permissible in showers only! ***Clothing should be appropriate for a church camp: modest in fit without inappropriate words or messages.***

Camp policies prohibit campers from using or possessing tobacco products, alcoholic beverages, non-prescribed drugs or weapons at camp. Any camper using or possessing any of these items will be sent home immediately with no refund.
